VOLUME 15

Editor BUTCH REECE

## *Foreword*

"Education forms the common mind, just as the twig is bent the tree's inclined." A strong root system furnishes nourishment for a flourishing tree. Like a tree, a student branches out into all fields of endeavor. These formative high school years deeply influence the student's direction and growth. Surely we at Herculaneum High have been fortunate.

Later, as you leaf through these pages and relive your high school days, may this pictorial grow in value and bring joyful reminiscence for all the years to come. May you remember and cherish the challenges, accomplishments, and above all, the friends at Herculaneum High.

We, the "Black Cat Staff," give to you, students and faculty, the 1961 Black Cat.

*Butch Russ*

EDITOR

From left to right: Mr. R. W. Evans, Mr. R. E. Thomas, Mr. C. M. Leonard, Dr. E. J. Senn, Miss B. Johnston, Mr. W. M. Black, Mrs. E. C. Partney, Mr. D. Patterson.

## *School Board*

Our School Board is not seen by our students in everyday school life, yet the school could not function without it. With the welfare of the school and the student body in mind, the Board does all the long-range planning for new school buildings, new teachers, and better facilities.

The Board members meet on the second Thursday of every month during the school year. They give many hours of their time freely to enable our community to have a better, more efficient school system. Meetings are open to the public.

School Board members are elected to their offices by the community and serve a term of three years.

## *Dedication*

Why do we dedicate the BLACK CAT to you?

BECAUSE you came THRU THESE  
DOORS at dawn, and didn't  
leave till dark, giving your  
day to youth,  
—at times not a very rewarding  
occupation.

BECAUSE you helped to make this  
year of '61 the best ever.

BECAUSE YOU WERE THERE when we  
needed you most, we give to  
you the most precious gift  
we have to offer . . . the dedication  
of a year of work, a  
year of memories.

Mrs. Anna Heinsman, we dedicate  
our yearbook to you.

*We All Work Together

Ourselves and our School*

Mr. Black gives speech.

## *Honor Society*

The Herculaneum Chapter of the National Honor Society is composed of sixty-seven members, each showing outstanding qualities of character, leadership, scholarship, and service. Of the total sixty-seven members, there are twenty-five seniors, nineteen juniors, and this year, twenty-three sophomores were added. They were initiated in an impressive ceremony held on November 29, in the high school auditorium.

Our main projects this year consisted of: taking care of the trophy case and the pencil machine; the annual Easter Banquet; and this year we made a new tradition putting Honor Society seals on the diplomas; and last we worked hard for an Honor Society Scholarship.

The 1960-61 officers are: President, Bob Smith; 1st Vice-President, Steve Caby; 2nd Vice-President, Ruth Ann Laubengayer; Secretary, Kathy Burchett; and Treasurer, Janet Pratt.

It is a great privilege to be a member of the Honor Society.
